Nanoquake

Asserting itself as E-Rock, Nanoquake fuses Epic Rock with Movie Soundtrack orchestration. Nanoquake brings together dramatic musical backdrops with shades of light and dark to accompany metaphorical lyrical observations of the world around us delivered through the medium of harmonic resonance.

Gaz Twist - Vocals

Gaz came on board after hearing early versions of Cassandra Syndrome back in 2019. Due to his vision, passion and floorless emotional delivery on that exceptional performance the band fell for him instantly.

Gaz is a familiar face on the London scene, fronting several bands in the capital as well as touring extensively with his original projects. He has had several residencies and played for the likes of Channel 4, Karlovy Vary Symphony Orchestra, Giants of Rock, Ramblin Man Fayre, Hilton Group and a host of private clients.

Rob Melville – Guitar

Born in Broxbourne UK Rob is a virtuoso guitarist who started classical training on the guitar at the tender age of 10 years old and has studied his instrument to the absolute extreme culminating in his 7 string guitar forays into tech metal. Rob is a grade 8 guitarist and his knowledge of musical theory is astonishing and only matched by his technique and playing abilities. Rob has played with a number of live bands on the London circuit through the years loves to perform as much as he loves to spend time recording in the studio.

Rob Joined Nanoquake in October of 2013 and very quickly became an integral part of the band and its development through the years.

Tom Morrison – Guitar

Born in Germany Tom is an award winning producer and guitarist. Toms CV speaks for itself and includes the like of Underworld, Bonnie Tyler and Blue Zoo. Tom has worked tirelessly to perfect both his sound and feel as a guitarist. It would be an understatement to say that Tom's technical knowledge, experience and ability are truly second to none.

Tom came onboard as guitarist with Nanoquake in May of 2016 having an instant positive effect on the quality of both sound and musicianship of Nanoquake as a whole. Tom's musical freedom and expression has become part of the very core and fabric of the Nanoquake sound.

Nick Gilmore – Piano & Keys

Nick has been playing keyboards professionally since graduating from university where He studied jazz performance, achieving a first class degree. Nick has worked with many great musicians internationally and has travelled the world with various bands, playing in Europe, America, Russia and the Caribbean, with bands including Odyssey, Loose Ends, Eban Brown from the Stylistics, as well as Mick Taylor and Ronnie Wood from the Rolling Stones.

Dave Roe – Bass Guitar

Dave was one of the great bass guitarists of our time. He has worked for [Johnny Cash](#) and was one of Nashville's top session bass guitarists. We are truly honoured to have had him feature on our tracks. His absolute professionalism and quick recorded turnaround were always fundamental to the creativity of the tracks and his ability to interpret the needs of the songs was simply impeccable. Classy, authentic musical genius and soul are but a few words used to describe what Dave brought to Nanoquake. Having very sadly passed away on the 15th/16th of September 2023 Dave recorded some of his final contributions to the music world with us which, we will endeavour to release over the course of 2024 in honour and loving memory of Dave and all that he contributed to this world.

Mike Scott – Drums

Mike has been playing drums since the age of 10 having achieved PIT Vocational diploma at Hollywood's prestigious Musicians Institute by the time he was 21. Mike has played in countless bands and sessions making him no stranger to performance or recording having played and worked with the likes of [Ray Davies](#) (the Kinks), [Jeff Berlin](#) (Bill Bruford band & Patty Austin)

Mike is the original founder of Nanoquake and has been working in tandem with and as sector7g productions ltd to develop Nanoquake since 2012. Mike is the backbone of the operation covering many roles whether that is as song writer, drummer, producer, arranger, studio engineer or band leader.
